Baking Crepes with Teacher Kristi

Sprinkler fun with friends!

The children at Little Sprouts will have the opportunity each week to travel around our town with the help of our local transit. We will visit places such as Crescent Beach, White Rock Beach, local parks, the library, and local merchants in the area. When we're not travelling around our town we will be at the school house having a whole lot of fun with indoor, backyard and neighbourhood activities. Sprinkler day, pot luck, neighbourhood bug hunt, treasure hunt, picking apples from Teacher Kim's fruit trees, sports day, face painting, bubbles, crafts, bowling, gardening and baking will all be part of the summer program at Little Sprouts. Activities that are not shown on the program calendar will take place on rainy days.
